

Student-Led WebCasts

Sharing the Dream

The Sharing the Dream student-led webcast series brings the excitement of the Vancouver 2010 Olympic and Paralympic Winter Games to classrooms across Canada. Each webcast explores youth issues related to culture, sustainability, sports & healthy living, Olympism, Paralympism and global citizenship. There are still plenty of opportunities for you to get your students and school involved in the webcasts and post-webcast discussions. For more information, or to check out video of archived webcasts, visit:
